1.

To meet the requirements of those needing a better class of gates and railings we have pleasure in issuing this Catalogue and Price List of WROUGHT IRON WORK.

In this class of work you have the advantage of an article of great durability and also of first class appearance.

All joints are carefully welded and cleaned off before the goods leave our factory and we guarantee satisfaction as we specialise in this line.

When requiring Wrought Iron Gates, etc. call or 'phone and we will be pleased to submit designs also to measure up and quote. This service is absolutely free to Customers within the City and Suburban area.

When ordering give exact size of openings as follows:-

If gates to be hung inside posts

If to be hung on face of posts

If fastenings required bolted through posts, give diameter of posts.

We make the necessary allowances for hinges and catches, give exact size of openings not of gates.

Always give size of opening first, then height and lastly design number.

Prices of Railings, Balustradings and Grilles on application.

SPECIFICATION OF MATERIAL USED IN GATES.
